North Atlantic Books. Paperback. Book Condition: New. Paperback. 232 pages. Dimensions: 9.3in. x 7.1in. x 0.6in. Creative Yoga for Children offers a simple, ready-to-teach Montessori-based yoga program for children age twelve and under. Following age-appropriate classroom themes, the book's forty detailed, one-hour lessons are designed to supplement any learning environment and are accessible to parents and teachers alike--no special training is required. In a recent study by California State University, Los Angeles, yoga was found to improve students' behavior, physical health, academic performance, and attitudes toward themselves. Following the structure of a classroom lesson plan, each lesson incorporates elements of yoga including poses, breath work, meditation, and mindfulness. A discussion of the theme and intention of the lesson is followed by a warm-up of yoga poses. The children then engage in a cooperative connecting activity designed to bring them together, and a fun and lively theme-oriented activity that involves movement and awareness. The class winds down with breath work, a craft, and often a story. Finally, there...
