## The F-Word Feminism In Jeopardy - Women, Politics and the Future

By Kristin Rowe-Finkbeiner

Seal Press. Paperback. Book Condition: New. Paperback. 302 pages. Dimensions: 8.0in. x 5.5in. x 0.7in. Many young women today consider feminism a dirty word, an antiquated term that hasn't expanded to accommodate the diverse needs of a new generation. In addition, decades of negative campaigns, excessively messaged issues, and hanging chads have all combined to make political apathy appear not only smart, but sexy. The result is that while they still bemoan the state of gender politics, gender equity, and the agendas of their local, state, and national politicians, nearly 19 million young women chose not to vote in the last presidential election. Yes, the face of feminism is changing, but to what end? Is a new generation taking for granted the rights hard-won only a generation before? And by focusing on cultural not electoral politics, are young women giving their power away? In this pivotal book, Kristin Rowe-Finkbeiner, political and environmental consultant (and wife of Washington State's Republican senate majority leader), asks these critical questions, tracing feminism's distinguished past and asking what can be done to protect and further women's rights and freedoms. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

### Reviews

*This ebook is really gripping and fascinating. it had been writtern extremely perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Leopold Hills**

*Totally among the finest publication I actually have at any time study. I am quite late in start reading this one, but better then never. I found out this publication from my dad and i suggested this pdf to discover.*
