

Approaching the Hunger Games Trilogy: A Literary and Cultural Analysis

Filesize: 8.78 MB

Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

McFarland Co Inc, United States, 2012. Paperback. Book Condition: New. New.. 226 x 150 mm. Language: English . Brand New Book. This book addresses Suzanne Collins s work from a number of literary and cultural perspectives in an effort to better understand both its significance and its appeal. It takes an interdisciplinary approach to the trilogy, drawing from literary studies, psychology, gender studies, media studies, philosophy, and cultural studies. An analytical rather than evaluative work, it dispenses with extended theoretical discussions, academic jargon, and even footnotes. Assuming that readers are familiar with all three volumes of The Hunger Games, the book also avoids plot summary and character analysis, instead focusing on the significance of the story and its characters. It includes a biographical essay, glossaries, questions for further study, and an extensive bibliography.
