AAPC - Autism Asperger Publishing Co., 2015. Softcover. Book Condition: New. A parent with ASD can provide his or her children deep love and support, along with a perspective on the world that is wonderfully unique. At the same time, the emotional and physical demands of parenting can be taxing for someone with autism. *Growing Together Across the Autism Spectrum* tackles a topic that has received little attention: the relationship between a neurotypical child and a parent on the spectrum. As such, this illustrated children's book provides a conversational starting point for families with a parent on the autism spectrum. Written with such warmth and candor and a sense of humor to boot the book employs a gentle, non-threatening, interactive style to facilitate growth of the reader's personal insight. It also fosters a sense of compassion and empathy for each person...
