William B Eerdmans Publishing Co, United States, 2005. Paperback. Book Condition: New. 234 x 157 mm. Language: English . Brand New Book. This outstanding book provides an in-depth historical study of the place of Jesus in the religious life, beliefs, and worship of Christians from the beginnings of the Christian movement down to the late second century. Hurtado considers such themes as early beliefs about Jesus' divine status and significance, but he also explores telling devotional practices of the time, including prayer and worship, the use of Jesus' name in exorcism, baptism and healing, ritual invocation of Jesus as Lord, martyrdom, and lesser-known phenomena such as prayer postures and the curious scribal practice known today as the *nomina sacra*. The revealing portrait that emerges from Hurtado's comprehensive study yields definitive answers to questions like these: how important was this formative period to later Christian tradition? When did the divinization of Jesus first occur? Was early Christianity influenced by neighboring religions? How did the idea of Jesus' divinity change old views of God? And why did the powerful dynamics of early beliefs and practices encourage people to make the costly move of becoming a...
