

Race and Employment in America 2013

By -

ROWMAN LITTLEFIELD, United States, 2013. Paperback. Book Condition: New. New.. 277 x 213 mm. Language: English . Brand New Book. This Bernan Press first edition contains a convenient selection of information from the Census Bureau's Equal Employment Opportunity (EEO) tabulation. Based on the American Community Survey, the EEO tabulation highlights the diversity of the labor force and serves as the primary external benchmark for comparing the race, ethnicity, and sex composition of an organization's internal workforce, and the analogous external labor market, within a specified geography and job category. Essential for any economic development official, EEO specialist, regional planner, urban researcher, or college student, Race and Employment in America answers questions about the direction of the workforce in America by race and the professions that Americans are choosing.
