Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Investigation of Concentration of Economic Power: Temporary National Economic Committee Mr. Roy C. Cook s monograph entitled Control of the Petroleum industry by Major Oil Companies calls for some reply, especially as it has been published by the Government Printing Office and might seem to have some of the authority of an official document. As a matter of fact, Mr. Cook alone is responsible for this general attack upon the oil industry. Although it has been published as No.39 in a series of monographs printed for the use of the Temporary National Economic Committee, it is not an official report of the T. N. E. C. Like the other monographs, it contains the following explicit disavowal of T. N. E. C. responsibility: The status of the materials in this volume is precisely the same as that of other carefully prepared testimony when given by individual witnesses; it is information submitted for committee deliberation. No matter what the official capacity of the witness or author may be, the publication of his testimony, report, or monograph by the committee in no way signifies nor implies assent to, or approval of, any of the facts, opinions, or recommendations, nor acceptance thereof in whole or in part by the members of the Temporary National Economic Committee, individually or collectively. Sole and undivided responsibility for every statement in such testimony, reports, or monographs rests entirely upon the respective authors. The letter of transmittal by Mr. Thurman Arnold, Assistant Attorney General, makes it clear that the author is speaking for himself. Mr. Arnold wrote: * * * This report originated and was completed by Mr. Cook as a private research project...
