

## Focus on Adult Health's Handbook of Laboratory Diagnostic Tests

By Lippincott Williams Wilkins

Lippincott Williams and Wilkins, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book. This companion book to Focus on Adult Health: Medical-Surgical Nursing is a concise, portable, full-color handbook of hundreds of test results and their implications. The two-part presentation includes a review of specimen collection procedures followed by an alphabetical list of tests. Tests include important information about reference values, normal and abnormal values as well as associated nursing implications, interfering factors, and essential nursing considerations before, during, and after the test.

### Reviews

*An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.*

-- **Beverly Hoppe**

*Extremely helpful for all class of individuals. Better than never, though I am quite late in starting reading this one. I realized this publication from my mom and dad suggested this ebook to discover.*
