New Science Fiction Adventure Series! National Bestseller in trade paperback. An agent for a spy organization uncovers an alien alliance in nearby interstellar spacean alliance that will soon involve humanity in politics and war on a galactic scale. 2105, September: Intelligence Analyst Caine Riordan uncovers a conspiracy on Earths Moona history-changing clandestine project and ends up involuntarily cryocelled for his troubles. Twelve years later, Riordan awakens to a changed world. Humanity has achieved faster-than-light travel and is pioneering nearby star systems. And now, Riordan is compelled to become an inadvertent agent of conspiracy himself. Riordans mission: travel to a newly settled world and investigate whether a primitive local species was once sentient enough so to have built a lost civilization. However, arriving on site in the Delta Pavonis system, Caine discovers that the job hes been given is anything but secret or safe. With assassins and saboteurs dogging his every step, its clear that someone doesnt want his mission to succeed. In the end, it takes the broad-based insights of an intelligence analyst and a matching instinct for...
