Dog Ear Publishing, United States, 2011. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.The apparition of the Anti-Christ has been predicted for centuries, and now, it is anxiously anticipated. The philanthropist, Art d Nada, slices through the skies of the western hemisphere like Halley s Comet. Many intriguing occurrences follow in his wake. This book is a journey that combines the worlds of sci-fi, political science, philosophy and psychology. It will introduce you to advanced political ideas, new practical ideas for business administration, a psychological romantic calculator, new philosophical concepts and innovative, practical scientific ideas. In The Anti-Christ at the Gates of Purgatory, the author also provides a romantically charged story involving several people, playing out on several different levels, including an obsession with a ship. In his native tongue, he was a great storyteller from his early age, but it took him decades to achieve that level of proficiency in English. He continued his higher education at CSUN and earned a bachelor degree in urban...
