Premium Power

By Philipp G. Rosengarten

Wiley VCH Verlag GmbH Sep 2011, 2011. Taschenbuch. Book Condition: Neu. 217x141x10 mm. Neuware - At the beginning of the nineties, the global car industry was in decline and the German car manufacturers were scared to death. They were warned that the Japanese competition had great advantages in terms of quality and productivity, as shown in the business book bestseller *The Machine that Changed the World*. And with the help of low prices, Lexus in particular made a successful entry onto the American car market. Top management consultants warned that only a handful of huge global car groups would survive in the long run. Instead of following the praised concepts of lean production, Mercedes-Benz, BMW, Porsche and Audi developed their own innovative Premium Power brand strategy and thereby initiated a true revolution in the automotive industry. Premium is not 'Cheap Luxury', and it is also not 'Upscale Mass-Market' - but it is an independent, new sector of the global car industry, and is all about premium innovations and premium marketing. Premium Power is really a strategic revolution of the automotive industry, as it reverses the companies focus from production and technology to the customers needs. This means a premium brand...
