Summary: McGraw-Hill's Taxation Series continues to provide a unique, innovative, and engaging learning experience for students studying taxation. The breadth of the topical coverage, the storyline approach to presenting the material, the emphasis on the tax and nontax consequences of multiple parties involved in transactions, and the integration of financial and tax accounting topics make this book ideal for the modern tax curriculum. With over 250 schools adopting the 2nd edition, McGraw-Hill's Taxation of Individuals and Business Entities resonates with instructors who were in need of a bold and innovative approach to teaching tax. 280 professors have contributed 250 book reviews, in addition to 17 focus groups and symposia. These instructors were impressed on the books organization, pedagogy, and unique features that are a testament to the grassroots nature of this books development.
