

## The Bible Through the Eyes of Its Authors: A Political History of Ancient Israel Judah

---

By Frederic March

iUniverse, United States, 2006. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Bible Through the Eyes of Its Authors interprets the Bible as a human creation by ancient priests who advocated political, social, military, and religious agendas for their nation. They lived in a world of great empires with a two-millennium history before their nation was founded. Thus they inherited an advanced culture that embraced the authoritarian values of imperial powers, together with humanistic traditions, legends, and written laws. However, The Bible Through the Eyes of Its Authors is not a dry historical analysis. Author Frederic March explores the Bible as a dramatic historical epic in five eras, twenty-one acts, and more than two hundred scenes. Using archaeological evidence, he applies knowledge about the authors world to interpret each scene. Unlike a traditional Bible study, the commentary does not infer God s intent but that of the respective authors. The book confronts the Bible s stunning moral contradictions. For example the loving God frequently demands compassion, kindness and charity for the poor, the handicapped and the foreigner. But the warrior God demands that Israel annihilate entire nations. God...
