The book, as it appeared in the Leisure Hour, stopped with the account of Dinah Morris. But four chapters are now-added to it, in explanation and defence of George Eliots marriage and religious feeling. Mr. Mottram has really nothing new to say about the former episode, except to insist that Lewes wife had left him finally and cruelly before George Eliot appeared upon the scene. He inclines to believe that a marriage ceremony was performed on the Continent. But no fresh item of interest is brought forward w-ith regard to the ethics of the marriage, and the author is certainly generalising overmuch. when he fearlessly asserts that to all the parties concerned the issues were exceptionally happy. He contends chivalrously against the ordinary verdict upon George Eliots conduct. He cannot endure Mr. T. P. OConnors opinion that her works are her penance and atonement for her irregular example, though this is only a sharpened form of Mr. R. H. Huttons judgment, with which most readers will be inclined to agree. But, while Mr. Mottrams critical opinions are not convincing, it is impossible not to respect the enthusiasm and research displayed in his unpretentious essay, which forms a creditable contribution to the study of George Eliots sources.
