Dancing with Life

By Tina Lindegaard

Mousejournal.com, United States, 2012. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.While winter rages outside in the city and the snow relentlessly keeps falling, she thinks back on times past - both good times and bad. What did she in fact do at the crossroads of life, and were her choices right or all wrong? The choices. They were many, and some had consequences larger than one person could handle. Did she choose well or should she have walked down other paths. And, in the end, does she really want to change anything? With her cat as company, she starts a diary. She puts down her hidden away reflexions over a life that could have been and a life that is.

These kinds of publication is the greatest pdf available. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.
