Wayne State University Press, 2000. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: In the port city of Manistee on the coast of Lake Michigan lives a girl named Mary. Mary's father is a sailor who works on a lake freighter called the Big Laker. The Big Laker delivers iron, stone, and coal to the many cities along the Great Lakes. Mary's father will not be home this year for his birthday and Mary wants to send him a card. But Mary's card can't be delivered by a mail carrier like other letters. Her father gets his mail by a pail! This is a delightful story that illustrates the mail delivery system for Great Lakes freighters. The J. W. Westcott Company operates the mailboat for the U.S. Postal Service marine post office in Detroit -- the only mailboat that delivers mail to freighters while they are moving. Colin Bergel helps young readers understand the special mail delivery system to the Great Lakes freighters through the story of a young girl and her quest to send her father a birthday card. Mail by the Pail helps young readers by: -- providing a brief history of the mail delivery system to Great Lakes freighters.-- highlighting the nontraditional lifestyles of Great Lakes sailors and their families.-- facilitating letter writing skills in young readers and illustrating how an envelope is correctly addressed. The colorful pictures and expressive words in Mail by the Pail will interest young readers as well as anyone living in the states that border the Great Lakes.
