## Creative Exchange: A Constructive Theology of African American Religious Experience (Innovations: African American Religious Thought)

By Anderson, Victor

Fortress Press, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This book seeks to provide a pragmatic but principled way forward for African American religion and life. By critically examining the African American theological landscape shaped by black liberation theology, slave narratives, and womanism, Creative Exchange proposes a relational concept of race that resists racial essentialism and moves beyond the triad of struggle, survival, and resistance. Rather, Victor Anderson argues that African American religious experience is actually an ongoing creative exchange that relates in many ways to its history, religious institutions, families, and faith communities." -BOOK JACKET.
