Tarcher. Paperback / softback. Book Condition: new. BRAND NEW, The Milk Memos: How Real Moms Learned to Mix Business with Babies - And How You Can, Too, Cate Colburn-Smith, Andrea Serrette, This one-of-a-kind guide to balancing motherhood and work is based on actual journals kept by a group of IBM women during their visits to the company's employee lactation room. It all began when IBM manager Cate Colburn-Smith sat down in the company's employee lactation room, shed a few silent tears, and wrote the following on a paper towel: "I'm a new mom and today is my first day back at work. Is anyone else using this room?" Right away women responded, and the paper towel was eventually replaced by a series of notebooks, in which women offered one another advice and support on juggling work and a newborn. Based on the original notebooks, "The Milk Memos" is a heartwarming, encouraging (and often hilarious!) guide to working motherhood. It's one of the most existential moments any woman will face: sitting in a small room tucked away in the bowels of your company, pumping breast milk for a child so close to your heart-yet, at that moment, so far away. The Milk Memos records the voices of mothers who, while struggling with the difficulties of blending their two lives, prove that women don't have to choose between work and family. Their thoughts on how it can be done will inspire women everywhere. This invaluable book weaves the actual Milk Memos journal entries with information-packed sections on such topics of great concern to working moms as: - finding a private place to pump breast milk at work and establishing a routine that you can maintain despite your busy workday; - establishing the right daycare solution; - getting a decent night's sleep with...
