At the present time there are quite a number of plants experimenting with this material, but to date have not had time to make all the applications and hence we are unable to determine the practicability of this substance. However, it shows promises of making good. J. W. Schreinen, superintendent of the Gethmann Brick Co., Gladbrook, Iowa, writes as follows: In reply to 918, Illinois, regarding kiln crowns. Clean your kiln crown of all loose stuff. Take some good black roof paint that you use to paint asbestos roofing or any other kind of roofing and put it on the crowns with a 3 or 4 knot roof paint brush. Fill all of the cracks and you will have a kiln crown...
