Brand New Book ***** Print on Demand *****.Excerpt from A Treatise on the Art of Breeding and Managing the Almond Tumbler The study and science of the Almond Tumbler is productive of a great amount of pleasure, and in the present day there are many gentlemen of highly cultivated minds, have proved by their engagement in the breeding and rearing, sparing neither pains or expense, have fostered and cultivated, with the utmost care, this truly beautiful pigeon called the Almond Tumbler. That it is a science well worthy the attention of those who might be induced to engage in this delightful recreation or fancy. My object in publishing this Treatise on the breeding and rearing the Almond Tumbler.is to plaoeit in the hands of the young Fancier, who is desirous of cultivating a knowledge, and endeavouring still further to improve their beauties; at the same time, I am fully sensible that there is not a copy of a work, worthy to be placed in the hands of the young Fancier, can be obtained without the utmost difficulty, owing to their being out of print. At one time I should have hesitated at the thought of writing upon so difficult a subject, for it requires a very nice judgment to form a true estimate of the Almond Tumbler; and, it must be confessed, they labour under the greatest disadvantage in not having their perfections and properties properly understood by the gentlemen of the Pigeon Fancy in general. Being fully aware of the great disadvantages that some of the young Fanciers residing in some parts of the country labour under, not having the advantages of attending societies and seeing and examining the birds that are put...
